MURKIN

Enclosed for each office is a copy of a letter from the Internal Security Division of the Department dated 10-15-69.

For your information Bureau files show that one Harold Weisberg who is probably identical with the Weisberg mentioned in the attached letter, has been most critical of the Bureau in the past. He is the author of several books including one entitled, "Whitewash - The Report of the Warren Report" and has been critical of the FBI, Secret Service, police agencies and other branches of Government. He was one of ten employees fired by the State Department during 1947 because of his loyalty being suspected. He was later allowed to resign. Weisberg by letter in April, 1969, requested information on the King murder case for a forthcoming book. It was approved that his letter not be acknowledged.

J. B. Stoner, one of the present attorneys for James Earl Ray who has petitioned the Supreme Court of Tennessee for a writ of Certiorari in connection with his motion for a new trial, is a notorious segregationist who continually attacks the Bureau and the Director. On the basis of the information furnished the two alleged former informants referred to cannot be identified in Bureau files.

In view of the nature of the information in the attached letter and the background on Weisberg and Stoner they are not being interviewed regarding this matter.
